A MESSAGE FROM THE TOP

With the warm weather comes children playing outside and an increase in calls from citizens commenting about our school buses traveling on the roads. When you driver one of our vehicles, it is a billboard with our name on it. Easy to see, and sometimes the scapegoat for other people's frustrations. So, always be courteous, let the other vehicle go ahead of you, and always watch your speed and drive the speed limit.

April Showers Brings May Flowers, and SPRING CHARTERS.

We have a lot of charter work, so if you are interested in extra work, tell your Manager. Also, now is the time to start looking toward summer and driving summer programs. We can use anyone interested in working during the summer, even for a couple weeks, or a couple of days a week. Contact your Manager with your availability.

Thank you to all the drivers who have been working hard to accommodate all of the last minute charter changes that we have been experiencing. When it rains, the schedule gets turned upside down due to rescheduling of sports trips. Your patience is greatly appreciated.

Safety is always our 1st Priority, so drive your vehicle safely.

Remember, I maintain an open door policy and I will always make time to meet with anyone who has a question or concern.

You may also email me: ron@aatransportation.com.

Ron Ernenwein, President

**All Drivers should report any vehicle defects to their Manager, who will arrange to get them repaired. If you have an emergency, you should see only John Hartman our Fleet Manager, in the Garage.

Wow, May has finally arrived! It will be nice to see the sun shining. Usually at this time of year I have a couple of friendly reminders:

Summer Work Sign Up

Summer work will be here as soon as you know it. If your route is a year round route then you will be expected to continue with that schedule (i.e. daycare routes only). If your route is not, there will be summer work available. If you are interested in summer work, please sign up on the signup Sheet. If you have any questions regarding summer work, please see Robin or myself.

Bus Evacuations

There will be bus evacuations in the month of May. Each driver will be given their own schedule with the schools they attend highlighted. There are several signs posted in the office and the break room. If you have questions, please see Robin.

As always, we would like to thank everyone for a great job that you do every day.
