A MESSAGE FROM THE TOP

BACK TO SCHOOL ALREADY!

Summer is almost over, and now it is time to think about going back to school. Thank you for being safe over the summer. I look forward to seeing each and every one of you coming back for another exciting school year. Start-up meetings have been scheduled, please see the list below for your day and time.

ALL drivers need to attend the start-up meetings for their contract or driver group. A lot has happened in the past few months and you need to hear about all the new information related to your driving or route or contract.

There are many Open School Routes available, so check with your Manager if you are looking to change your school route or if you want a school route this school year.

Remember to send me your comments and ideas about our Company and what we can do to better serve our customers. Your views are important to me, and I will respond to every comment and idea I receive.

Ron Ernenwein, President

All Drivers should report any vehicle defects to their Manager to get them repaired. If you have an emergency, you should see only John Hartman our Fleet Manager, in the Garage.
